EDUCATION

University of California, Los Angeles | B.S. in Statistics and Data Science

Expected Jun 2026

- GPA: 3.46 / 4.00

COURSEWORK

Accounting/Business: Principles of Accounting, Business Analytics, Principles of Macroeconomics

Statistics: Statistical Model and Data Mining, Data Analysis and Regression, Practice of Statistical Consulting

Programming: Statistical programming with Python, Computational Statistics with R, Data analysis and regression

PROJECT

Depreciation Optimization Model (MACRS vs Straight-Line)

Dec 2025 - Present

- Developing depreciation optimization tool comparing MACRS and straight-line schedules using Excel, quantifying multi-year tax savings for hypothetical capital assets visualizing year-by-year difference.

Interactive Dashboard for Match Statistics

Apr 2025 - Jun 2025

- Developed an interactive dashboard using SQL, Tableau, and d3.js for UCLA Men's Tennis team's match statistics, enabling dynamic visualization of player-specific performance trends across 50+ matches, including both the regular season and NCAA tournament.

EXPERIENCE

Data Analyst, UCLA Bruins Sports Analytics (BSA)

Apr 2025 - Present

- Provide data-driven match reports to the UCLA Division I Tennis Team, leveraging interactive visualizations built with Python and SQL to highlight actionable insights for strategy development.

Finance Officer, Soon Movement Global (UCLA)

Sep 2025 - Present

- Manage the financial operation using Excel, overseeing 300+ transactions per quarter and maintaining accurate records of budget, payments and reimbursements to provide financial insight to leadership.

Data Consultant, UCLA Bruins Sports Analytics (BSA)

Nov 2024 - Oct 2025

- Collect, edit and organize 100+ hours of match footage across 25 regular season matches in collaboration with UCLA Tennis Team to support performance analysis and strategic planning.
- Track and record 800+ tennis shot coordinates across 200+ rallies per match using both manual tagging program developed by BSA and AI powered program such as SwingVision for match analysis.

External Relations Associate, Korean Job Search (KOJOBS)

Sep 2024 - Oct 2025

- Partner with universities such as USC and UC Berkeley to organize job fairs and create opportunities for team members to build connections with peers and companies such as Samsung and Hyundai.

CERTIFICATE

Google Data Analytics Professional Certificate

Completed Apr 2023

- Developed skills in SQL, R, and Tableau for data cleaning, visualization, and business insights.

International Tutor Training Program Certification

Completed Jun 2024

- Certified in tutoring methodologies, student engagement strategies, and knowledge transfer techniques.
